## Advanced Fractions

Math Mini Course - Online (1 Year)

## What is it?

Math Mini Courses Online from A+ Interactive Math are **affordable and excellent way to close learning gaps** in particular areas of Math where students may have weakness. Each mini course covers a logical group of specific math concepts from several grade levels. It offers an in-depth review of math concepts from a very basic to a more advanced level. Mini Math courses help build a strong foundation in Math by providing students with consistent review of the specific areas in which they're weak.

Math Mini Courses Online Include,

- Multimedia Lessons that teach math concepts with fun, colorful and engaging computer animated video lessons, audio and text.
- Interactive Review for each lesson that helps students/parents identify and close learning gaps.
- Worksheets that provide extra practice to help master each math concept.
- Automatic grading and tracking with easy-to-read progress reports.
- Solution Guides that provide detailed step-by-step solutions with visuals to each problem on worksheets.
- Full text versions of lessons that provide additional flexibility for those who like to read through the lessons.
- Printable worksheets and tests for practice offline.

## What Would My Student Learn?

## The main subject areas covered are:

- 1.1 Fractions Review
- 1.2 Identifying Fractions
- 1.3 Equivalent Fractions
- 1.4 The Greatest Common Factor
- 1.5 The Least Common Multiple
- 1.6 The Least Common Denominator
- 1.7 Adding Fractions with Like Denominators
- 1.8 Subtracting Fractions with Like Denominators
- 1.9 Adding Fractions with Unlike Denominators
- 1.10 Subtracting Fractions with Unlike Denominators
- 1.11 Types of Fractions
- 1.12 Mixed Fractions
- 1.13 Reducing Fractions
- 1.14 Converting Whole Numbers to Improper Fractions

- 1.15 Converting Mixed Fractions to Improper Fractions
- 1.16 Converting Improper Fractions to Mixed Fractions
- 1.17 Converting Fractions into Decimal Numbers
- 1.18 Converting Decimal Numbers into Fractions
- 1.19 Adding Fractions and Whole Numbers
- 1.20 Adding Mixed Fractions
- 1.21 Multiplying Fractions
- 1.22 Multiplying Fractions and Whole Numbers
- 1.23 Subtracting Fractions and Whole Numbers
- 1.24 Subtracting Mixed Fractions
- 1.25 Dividing Fractions
- 1.26 Dividing Fractions and Whole Numbers
